Pictures and Testimonies

Testimonies from previous attenders:

- * *Placed an even greater burden in my heart for the Amish.*
- * *Made me more aware of the deep bondage more conservative groups have and how it affects their thinking.*
- * *God gave me an increased burden for those who are religious and zealous, but unsaved and lost.*
- * *It was a most enjoyable two days, filled with testimonies and so much information. The meals were wonderful, hospitality super, and I am honored to have met so many of you!*

Whether you have been to a previous conference or this is your first time, you will not want to miss this conference. Many of our speakers are from an Amish background. Come, hear them preach, share testimonies and learn about the ministries they're involved in.

In our workshops, you will learn who the Amish are, where they come from, what they believe and how you can personally get involved in reaching the ones who do not understand the gospel of Jesus Christ.

Bring your entire family! Meals will be provided by Black Creek Baptist Church.
