- * *God gave me an increased burden for those who are religious and zealous, but unsaved and lost.*
- * *It was a most enjoyable two days, filled with testimonies and so much information. The meals were wonderful, hospitality super, and I am honored to have met so many of you!*

In our workshops, you will learn who the Amish are, where they come from, what they believe and how you can personally get involved in reaching the ones who do not understand the gospel of Jesus Christ.
